Defendant, through undersigned counsel, hereby respectfully requests leave to replace the version of the memorandum in support of defendant's Motion to Dismiss in Part (ECF No. 92) with a corrected version that contains the final double quotation marks that were inadvertently omitted from the brief that was previously filed. Upon review of defendant's previously-filed memorandum, undersigned counsel discovered that, in the process of converting the document from a word processing format to pdf, all final double quotation marks were somehow converted to spaces. In order to avoid any inconvenience to the Court caused by the lack of any final double quotation marks in defendant's brief, defendant requests leave from the Court to substitute a corrected memorandum for the originally-filed version. Defendant's proposed substitution (to replace ECF No. 92) is attached hereto, and the documents previously filed as ECF No. 92-1 and 92-2 are also attached hereto, for the Court's convenience. No changes in the text have been made, other than the inclusion of final double quotation marks in defendant's memorandum.<sup>1</sup> Undersigned counsel for defendant has conferred with counsel for plaintiffs, who indicates
